PRESS RELEASE

Rock Solid

Island Trail Running, Kastellorizo 2025

ROCK SOLID KASTELLORIZO 2025 is back for its fourth year, more dynamic than ever!

In 2025, the enchanting island of Kastellorizo will host Rock Solid Kastellorizo for a two-day event full of energy, action, and emotion — on the weekend of June 7 & 8.

Participant kit pickup and the technical briefing will take place on Friday, June 6.

The trail running races include 4 routes:

- 1.3 km for children
- 5 km, 10 km, and 22 km for adults

On the eve of the races, our beloved Pasta Party awaits you — lovingly prepared by the island's youth — to prepare us, both gastronomically and mentally, for an unforgettable race weekend!

Want to run?

Sign up and become part of the Rock Solid Kastellorizo 2025 experience!

Want to volunteer?

Join us at our first meeting,
Thursday, June 5, 2025, at 19:15, at Megisti Primary School

If you're among the lucky ones who will be on the island during those days, experience Kastellorizo like never before:

Combine your vacation with the local community celebrations and cheer on the runners, supporting this unique event!
